**REGISTRATION DEADLINE
FRIDAY, JUNE 18, 2021**

April 26, 2021

Dear St. Mary's Families,

May the blessings and peace of Christ be with you always. This has been a challenging year for everyone. In Christ, we have hope that those who have sacrificed so much during this time of crisis will be continually blessed with God's healing grace to endure and persevere in their struggles to trust in God's love and mercy. During this year many parents have helped their children with their school work while working from home themselves. These moments of balancing so many responsibilities as a family have been challenging. For many of you, being home together with your children has also been a blessing as you spent time sharing your faith and helping your children discover their relationship with you and their faith in Jesus Christ.

St. Mary's is planning to resume in-person classes in September. Since some families may be hesitant to have their children return to the classroom we will be ready to offer Virtual Sessions again if it is unsafe for children to come in-person. If at any time Holliston or the surrounding towns, where other children attend our program, are in the "Red" zone during the pandemic, we will go back to Virtual learning until it is safe to resume classes.

True ministry and evangelization takes place when we are face to face with one another. It is important that the children and youth continue their faith formation and develop a personal relationship with God. The best faith formation takes place in your homes as you model your faith and love for God by your example. By taking your children to worship at Mass each week and praying together as a family, they will know how dependent you are on God's grace. There is nothing more important than to help prepare for your children's life journey on earth that will lead them to heaven.

REGISTRATIONS 2021-2022: Due to many changes in family email addresses, cell phone numbers and home addresses, we are asking you to **complete both sides** of the enclosed 2021-2022 Registration Form. ATTENDANCE: In order for children to benefit from their faith formation sessions, it is essential that they attend all scheduled classes. In-person classes meet on alternate weeks except for Grade 6 which meets weekly on Tuesdays, otherwise on alternate weeks for Sunday, Monday, Tuesday, Wednesday and Thursday classes. A child In Grades K through 7 who is sick and unable to attend a class may keep up to date by going to the Grade level LINK and taking the class virtually in order to keep up. Missing two or more classes on an alternate week places a burden on a child to catch up with class material at home. We realize that family circumstances and illness can prevent attendance; however, parents are required to assist their child at home with missed lessons.

SAFETY MONITORS NEEDED: Every year we ask for people to offer their time as a Monitor during scheduled class time to collect attendance, record absences, make calls to families regarding absences and occasionally assist with office needs such as folding letters and mailings. Monitors are essential in order for classes to be held. Please see the Monitor tasks on the enclosed inserts of this letter.

GREEN VOLUNTEER FORM: Please prayerfully consider giving your time to volunteer for the Religious Education Program for Grades Pre-K through 10, our Youth Ministry, our Middle School Youth Group (MSYG), our EPIC High School Trips and more. Return the volunteer form with your Registration Form if you can volunteer in any capacity.
