FROM THE PASTOR'S DESK

Dear Members of the St. Mary's Parish Family,

I recently calculated that during my time at St. Mary's I have spent well over a thousand hours in the Reconciliation Room hearing Confessions. And that's just the regularly scheduled Saturday ones! This is the forward view from my chair in that room:

As you can see, there are two objects hanging on the walls – a San Damiano Cross, and a framed Divine Mercy Image. I did not hang either one, they were in place when I came to St. Mary's. But I sometimes reflect on their meaning, and why they are so appropriate in that space.

The Divine Mercy, of course, shows the red rays of light (Eucharist), and the white rays of light (Baptism), shining from Jesus' heart. The space between them represents the Sacrament of Confession – the gift that cleanses us anew and restores us to the life of grace.

The San Damiano Cross is the cross St. Francis was praying in front of when God spoke to him saying, "Rebuild my church." It was the beginning of a radical conversion of life for Francis – from wealthy playboy to a religious brother embracing poverty and prayer in order to know and serve the poor.

The Divine Mercy reminds us of the power and depth of God's forgiveness. The San Damiano Cross reminds us that Confession always includes a sincere intention to make a change of life. To go forth from the Reconciliation Room fortified by God's grace to better resist temptation, to walk in His peace, and to be even more of a blessing to the people He places in our life's path.

God bless you!

Rev. Mark J. Coiro

FROM THE DEACON'S DESK

In the musical play, "Jesus Christ Superstar," an ensemble of the cast lyrically poses the question and sings a song titled, "Could We Start Again Please?" Within and without the context of the play, the question can be interpreted on many levels.

For decades, those exact words have often echoed in my mind as I have approached the Sacrament of Confession to cleanse my soul. Each time, I really do feel that I want to spiritually start again.

And the good news is that through the revelations given to Saint Sister Faustina in the 1930's, Jesus offers a reply; and His answer is 'Yes, we can start again.' Jesus told her that He wants us all to experience the great depths of His mercy and therefore offers us "extraordinary graces" each year on Divine Mercy Sunday (the Sunday immediately after Easter).

Specifically, Jesus wants to give complete forgiveness of sin and remit all associated punishment in Purgatory to those who will do the following on that day:

- Worthily receive the Holy Eucharist.
- Sincerely confess sins in the Sacrament of Confession. Note: Lenten Confession is also acceptable provided you remain in a state of grace (no mortal sins).
- Perform an act of mercy.
- Venerate the Image of the Divine Mercy.

Spiritually, this promise can put us into a greater state of grace than the day we were born! It's actually better than starting again; it's starting anew! I pray that all of us will be able to accept Jesus' offer this year.

For more information about the great graces of Divine Mercy Sunday (including the Divine Mercy Chaplet and the Divine Mercy Novena) go to www.thedivinemercy.org.

Peace,

Deacon Ron Dowding

St. Mary's High School Youth Group Teens Gather In Faith!

LUNCHES FOR THE HOMELESS: On Saturday, February 3, twenty-one TGIF Teens gathered in Fr. Haley Hall to make lunches for the homeless. They began by reflecting on MT 25, where Jesus promises that *“Whatsoever you do for the least of my brothers, so you do unto me.”* Then they decorated white lunch bags with beautiful art and uplifting messages, including some from scripture. Finally, they donned gloves to make turkey or ham sandwiches - adding chips, fruit, and home baked cookies to each bag. Fr. Mark blessed the completed lunches, praying that they would provide spiritual as well as physical nourishment to those who received them. Fifty packed lunch bags were delivered to Fr. Bill's Place in Quincy by TGIF Adult Leader Mark Schellings. Thank you everyone for being a blessing!

NEXT TGIF MEETING: SUNDAY, APRIL 21, FROM 7 – 8:45 PM. INVITE A FRIEND & SAVE THE DATE!

St. Mary's High School Youth Group

Teens Gather In Faith!

CONFESSION & BALLOONS: At their February 25 Monthly Meeting, the TGIF Teens were led in a fun and meaningful team building exercise by Kristin and Luke Roberto. Groups formed randomly were told to build a piece of furniture out of balloons. Then a team member had to lie down on it or sit in it for at least ten seconds without the balloons popping! Later that night, “Father” Sebastion Bureau (TGIF Senior), heard the Confession of teen Paget O’Brien. Using a script, they acted out a Confession, including penance, questions, and some spiritual counsel. All teens were then given an Examination of Conscience to help their Lenten Confession this year be as fruitful as possible.

EGGS & ADORATION: The March 10 TGIF Monthly Meeting began with the stuffing of hundreds and hundreds of plastic eggs with as many pieces of candy and prizes that each could hold. Organized by Traci and Alex Robie, these eggs are in preparation for the big “Eggstravaganza” Mission Trip Fund Raising Event on March 24. Pizza was then enjoyed, followed by several fun games. The last of these involved moving left or right as a story full of both words was read. There was lots of laughter and bumping into people. Even though listening for those words, people often missed them or did not act in time. This led to a discussion on how hard it can be to hear God, even when we want to. Time spent quietly in the Presence of the Blessed Sacrament can be a help with this. In the words of Pope Benedict XVI, “In a world where there is so much noise, so much bewilderment, there is a need for silent Adoration of Jesus concealed in the Host. It is a source of comfort and light, particularly to those who are suffering.” Deacon John Barry then gave a powerful witness about the True Presence of Jesus in the Consecrated Host, sharing his own visit to the site of a Eucharistic Miracle in Spain. Then the teens had time to go to the church for Adoration at St. Mary’s 40 Hour Devotion.

St. Mary's Middle School Youth Group Luau!

Just over 250 youths packed into the St. Mary's Parish Center for the 17th Annual MSYG Luau Dance! The date was Friday, February 2, and while temperatures were low outside, inside it was all fun in the sun. Grass skirting, lei garlands, and colorful lights created the perfect tropical atmosphere, while D.J. Scott Pryor played popular requests as well as a variety of summer music favorites. There seemed to be way more actual dancing this year than last, but delicious frozen drinks with fancy flowered straws were available to quench the dancers' thirst. Highlights of the evening included the "Limbo Contest," and the "Best Beach Outfit Contest." Winners received \$25 gift certificates to Dunkin' Donuts. Thanks to all for a super "summer" night!

St. Mary's Parish Middle School Youth Group

Open to all 6th, 7th & 8th Graders for Faith, Friendship, Service & Fun.

FEBRUARY 4 BATTLE OF THE SEXES! Just two nights after the Luau Dance, the Youth Group gathered for their Monthly Meeting and the 15th Annual Battle of the Sexes! This is a fun competition of speed, teamwork, and knowledge. The boys won the Math Scramble, the Girls won the Bible Trivia, and the lead swung back and forth most of the night. The "Bear Hunt" pulled the boys way ahead though, leading to victory. Shown right, some of the MSYG Boys celebrate their victory. Total wins now? Girls 7, Boys 8. But when it came to fun everyone was a winner this night!

FEBRUARY 9 SNOW TUBING: Shown below, thirty-three MSYG teens spent this Friday night snowtubing at Nashoba. Conditions allowed them to string tubes together for their runs. Despite crazy warm temperatures the weeks before, there was plenty of cover and good speed down the mountain.

FEBRUARY 20 CATHEDRAL & BLUE MAN GROUP TRIP! Tuesday of Vacation Week found forty-two MSYG Teens

on an outing to Boston. First, they visited the largest church in New England - our very own Cathedral of the Holy Cross. The seat of Cardinal O'Malley and Mother Church of our Archdiocese, the Cathedral is a local parish as well. Fr. Mark gave the teens a tour of this magnificent building, after which the group stood around the altar and prayed for peace in the Holy Land. Next, they enjoyed lunch at Quincy Market, followed by "Blue Man Group" at the Charles Playhouse. Drums were beaten, comical interactions abounded, and reels of toilet paper poured down on us from above. It was a blast!

St. Mary's Parish Middle School Youth Group

Next Meeting is Sunday, April 7, from 6:30 – 8 PM in Fr. Haley Hall!

MARCH 1 HOSTING THE BOY CHOIR! As has been our tradition for many years, the Middle School Youth Group hosted the St. Paul's Boy Choir when they came to offer a Lenten Concert. Dressed up for the event, our MSYG teens welcomed the choirboys, and served them dinner. They also passed out programs to concertgoers, before attending and enjoying the concert themselves. Finally, the teens helped clean and reset the church. Their most important contribution was making the choirboys feel welcome! Special thanks to Natalie Pomarico and her Lenten Supper team for accommodating the visit and arranging extra food.

MARCH 3 NURSING HOME PRAYER PARTNER PROJECT! At this night's Monthly MSYG Meeting, our teens decorated Easter Cards for the residents of St. Patrick Manor in Framingham. Each teen was given the first name and last initial of an elderly person, allowing them to personalize the cards. They then kept the names and committed to pray each remaining day of Lent for their assigned St. Patrick partner. The cards were filled with hopeful, kind sentiments, and were delivered to the Manor two days later. We know that both the cards and prayers will be a great blessing to those who receive them!

Troop 14 Holliston

Boy Scouts of America
St. Mary's Parish * April, 2024

Meetings: Monday Nights 7:00 - 8:30 PM

Contact: Chris Baribeau, Scoutmaster
508-579-4357

Email: Troop14Holliston@yahoo.com

If interested in joining Troop 14, contact the Scoutmaster. It is an ideal organization for boys in sixth grade or above.

The Troop meets weekly during the school year, Mondays from 7 - 8:30 PM in the Lower Church.

Troop 14 had a busy schedule during the January, February and March winter months and is looking forward to an early Spring!

CARTER NOTCH CAMPOUT: Six Leaders and 17 Scouts ventured into the White Mountains on January 20 and 21 for cold weather hiking. The single digit temperatures offered a new experience for many of the Scouts requiring layered gear, crampons, snowshoes and 0 degree sleeping bags. These hearty hikers ventured up to the Carter Notch Hut embracing the challenge of overcast skies, snow and ice. After reaching the hut, a group of Scouts and Leaders made the remaining 1-mile hike to the top of Wildcat Mountain for a brief stay since temperatures at the 4,000 foot peak were minus 20 degrees. Scouts enjoyed a spaghetti dinner in the hut before some well-earned rest for the night in their unheated cabin. All Scouts and Leaders made the hike back to the trailhead the next morning with full view of the surrounding Whites.

BOY SCOUT SUNDAY MASS: On Sunday, February 4, Boy Scouts gathered at the 9:30 AM Mass. Scouts were Altar Servers and Lectors, and of course they provided a delicious pancake breakfast afterwards. During the Scout Mass, three Scouts were presented with the Ad Altare Dei Emblem. One of the oldest awards available to Scouts, this Emblem was originally given to recognize those Scouts who were Altar Servers. The Ad Altare Dei (To the Altar of God) program is today designed to help Roman Catholic Scouts develop a fully Christian way of life in the faith community. It involves a course of study based on the Seven Sacraments, including Bible study, group discussions, and the undertaking of various activities to put the lessons of the Sacraments into action. This year's Ad Altare Recipients are (from left to right): Scott Baribeau (Troop 14), Elijah Hopke (Troop 367), and Louis Connoni (Troop 76). The Scouts were under the direction of Deacon Ron Dowding. Fr. Mark presented each with the Ad Altare Medal, and Scoutmaster Chris Baribeau presented them with the BSA Religious Knot Patch. Congratulations!

ANNUAL PANCAKE BREAKFAST: Thank you to everyone who came to support Troop 14's annual Boy Scout Pancake Breakfast held on February 4 in Father Haley Hall. The day was a huge success and helped the Troop raise funding that goes toward offsetting costs associated with troop expenses and adventures.

FEBRUARY COURT OF HONOR: Troop 14 held its second Court of Honor (COH) for the current Scouting year on February 5 at St. Mary's. It was a night to celebrate all of the hard work and achievements since last October's COH. There were many Merit Badges awarded, as well as great progress towards rank advancement for the troop.

NOBSCOT CAMPOUT: Scouts with Star rank and above attended an early March campout at Nobscot Scout Reservation next door in Sudbury. Everyone enjoyed a hike around the reservation that included Tippling Rock with views of the Boston Skyline, and the Nobscot Hill summit with its fire tower landmark. The evening included board and card games in one of the newly refurbished cabins equipped with a wood stove and bunks for sleeping. The Scouts even expanded their culinary skills with the introduction of home-made donuts and crepes.

Grade 4 Lenten Project 2022 - 2023 - 2024

The wonderful class of 2022-2023 Grade 4 at St. Mary's Religious Education worked hard doing chores to earn money to send to their "Buddy School" St. James Prep in Uganda.

Our friend, Fr. William Ojulo has fond memories of his two visits to St Mary's in the summers of 2017 and 2018. It was then that we started this fund project: Student to Student.

It continues to be a wonderful lesson for both schools about the love of all God's children everywhere.

Not only did we fund another cow, but the Sisters there said the nutrition of the children is greatly improved and the waste goes to fertilize their garden. Grade 4 is a glorious group of disciples for the Lord. They truly are their brother's keeper.

This year's 2023-2024 Grade 4 will hopefully get some goats and fowl for eggs and cheese.

With humble joy and thanks to Grade 4 –

ST. JAMES PREPARATORY SCHOOL – ACHILET

Dear Mrs. Calapa Virginia,

REF: RECEIPT OF A GRANT US \$ 500 TOWARDS PURCHASE OF A HEIFER

Greetings and best wishes from St. James Preparatory School.

Sorry, I delayed the process of project implementation due to other school commitment of leaving examinations for Primary Seven Children.

Nevertheless, I wish to acknowledge receipt of the grant of US \$ 500 received through Fr. William Ojulo. After the conversion into Ugandan Currency, we received 1,830,000 (One million eight hundred thirty thousand shillings) at the exchange rate of Ushs 3,650 (Three thousand six hundred fifty shillings).

With the grant received we were able to purchase another heifer and this has transformed the children greatly:

- Improved on nutrition and promoted their physical fitness and mental growth.
- Reduced on the non-communicable diseases that were caused by malnutrition thus improved on the cognitive, academic concentration and excellence for our children.
- Promoted the social wellbeing of the children and the entire school community. The children are happy and fit.
- Administrative costs of buying milk reduced, thus enhancing the children's good health and wellbeing.
- Enriched the soils with farmhouse manure from the heifers thus improving on school productivity in its sustainability.

We send our sincere heartfelt gratitude to you and the 4th Grade Class of St. Mary's Holliston for the continuous support toward the welfare of the children at St. James.

We confirm that results of the grant will be of lasting effect because we have secured animals to provide sufficient milk that will help the children to concentrate on the studies.

May the Lord recompense you hundredfold and be assure of our constant prayers.

Yours in Christ

Leftovers and Love

By Jane Lebak

During a difficult time in my life, a friend decided to make me a memorial scarf pattern. In the middle of charting out angel wings, she heard God speak: "Keep it simple."

She backtracked and wrote the simplest crochet pattern ever. You ready?

- 1) Leaving a four-inch end on either side, chain the length of a scarf. Cut the yarn at the end.
- 2) Again leaving a four-inch end, single crochet all the way across. Cut the yarn again.
- 3) Repeat line 2 until you have the width of a scarf.

God knew what He was doing when He told my friend to keep it simple. This self-fringing scarf was so dead easy, it started me making things with yarn, and I've never stopped.

This pattern is ideal for using up what's leftover at the end of other projects. When my scrap bag gets full, I think, "I bet there's a scarf in there." The final result is unique. It includes green from slippers I made my child, gold and blue from a hat I donated, and burgundy from fingerless gloves I gave a friend. I'm the only one who ever made all those original projects, and therefore I'm the only one with all those leftovers.

Without enough to make anything big, these leftovers were going to waste away. Except, that's not what God wants. Our gifts and talents and graces are to be used for Him, every last little scrap. He encourages us to use our gifts for one another.

This scarf begins as a bunch of disparate memories of love, but by the time I donate it, it's all one piece. The scarf's colors harmonize as if everything belonged together from the start. Sometimes the yarns clash, but even the oddities look good when you view the whole.

They're just bits and leftovers, but they make warmth.

These scarves make me wonder: if I can make warmth with strands of useless yarn—if even the mistakes vanish into the beauty — then what can God do with the bits and pieces of our lives?

Stay warm. Warm others.
