***It is a loving act to show  
sadness when our dear

Thankful joy is more

long and querulous grief.***

*O dying souls, behold your living  
spring; O dazzled eyes, behold  
your sun of grace; Dull ears,  
attend what word this Word  
doth bring; Up, heavy hearts,  
with joy your joy embrace. From  
death, from dark, from  
deafness, from despair:  
This life, this light, this Word,  
this joy repairs.*

*Time is too slow  
for those who wait,  
Too swift for those who fear,  
Too long for those who grieve,  
Too short for those who rejoice,  
But for those who love,  
time is Eternity.*
